Dear Whitney Benefits,

My name is Pat Lynch. I am the Guidance Counselor at Buffalo High School. I have had the privilege to work with Whitney Benefits for the past 28 years serving the students of Johnson County. I cannot tell you how fortunate we are that Whitney Benefits extends it's hand to Johnson County students to attain their goals at their next level of education.

The people at Whitney Benefits are professional, knowledgeable, personable, and polite. They are always willing to help out with Senior Financial Aid night and other activities we host at Buffalo High School .

For many of our students, an interest free loan is just the opportunity they need to get started pursuing their educational and career goals. In the past 28 years, I have seen firsthand the positive difference Whitney Benefits has made in the lives of Buffalo High School (or Johnson County) students. Whitney Benefits fills a crucial gap, providing a hand up not a hand out, to students who may not otherwise be able to afford higher education.

On a personal note, my son received an interest free loan from Whitney Benefits to pursue a masters degree in education. The process was seamless, and we are greatly appreciative of their kindness and generosity.

From the students of Johnson County, we sincerely thank you and appreciate all the families you have helped.

Sincerely,

Pat Lynch
Guidance Counselor
