

I just wanted to take the opportunity to thank everyone at Whitney Benefits for helping me with my college education. I'm a first generation college graduate and I've been successfully employed as a social worker at DFS for 8 years. None of that would have been possible without the financial support Whitney Benefits provided. My loan is paid off by my 31st birthday and I could not be more grateful. Our community is VERY lucky to have Whitney Benefits.

Thank you!
