Dear Folks @ Whitney Benefits,

I was born and raised in Sheridan. Just recently someone gave me a copy of Charles Popovich's book entitled "Sheridan, etc"

From the bottom of my heart I want to sincerely Thank You folks for all of your thoughtfulness and generosity in helping to support Sheridan over all these years.

Back in the late 50's I was enrolled in Sheridan College. As a matter of fact I was in the first Graduating Class from the new Sheridan College complex. When I first enrolled you folks gave me a "Head start" and gave me some to help me to buy books, etc. Right now I'm not all that sure whether or not I thanked you for that gift. Anyway, after all of these years, I want to say "THANKS AGAIN."

From then on I attended the University of Idaho and got a degree in Forestry which led to a somewhat abbreviated career with the Forest Service in California. From there God put a "bug in my ear" that I should become a monk here in the Pecos Benedictine Monastery where I've been from 1981 to today.

Again - "THANKS AGAIN" for all of the support that you've given to the Sheridan area.

God Bless,

Br Jim Marron OSB Oliv
